Comfortable and Affordable
Catamaran Vacations

KEYMA

2021 Lagoon 46

Why sailing from Mykonos?

Sailing in a new catamaran is one of **the best vacations'** experience that you may ever have!

Once you try it, it is certain that it will become **your favorite way of vacations!**

It combines safety, luxury, exclusion and above all, a unique way to get to know many different places **from the comfort of your own boat** for a week or two!

We are here to offer a comfortable summer house **at the Aegean Sea!**

Our base is in Mykonos one of the most cosmopolitan destinations in the world and one of the best to start your sailing trip:
With an international airport with plenty of direct flights from all over the world and it is only a 20 mins flight from Athens.

Many popular islands close by, securing a wonderful sailing trip and island hopping in one the best destinations

Ability to extend your stay and explore Mykonos prior or after your sailing trip and visit its numerous top notch beaches, restaurants and clubs!

Why sailing from Mykonos?

- We are operating a small fleet and are the only ones with offices and physical presence in Mykonos ensuring quality and personal service.
- We offer extra services such as water toys rentals (sea bob, SUP, snorkeling equipment, wetsuits, swim beach towels etc.), concierge services, provisioning and itinerary proposals.
- We cooperate with experienced and people – centric, regular crew, securing a safe and relaxing sailing trip!

Why choose us?

Keyma

Sail comfortably and elegantly without compromises!

Keyma is a newly Catamaran **2021 Lagoon 46**. It can accommodate **up to 8 persons** along with **2 persons crew**.

It has **4 roomy cabins** and **4 spacious bathrooms** along with 2 single crew cabins with a separate bathroom for the crew.

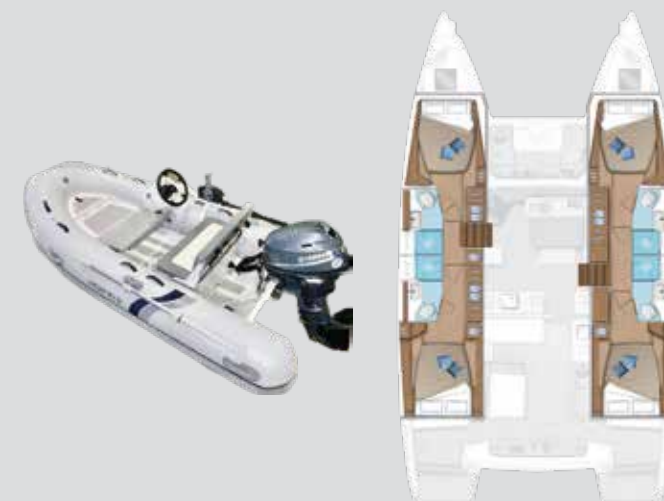

Additional equipment includes a **Flybridge** with a large enclosed bimini and a large teak table in the cockpit area along with a separate salon in the front.

There are also water toys like **SUP** and **seabobs** available for charter at an additional charge
